ATV / HORTICULTURAL ENGINEER

based at our Selkirk depot

We are looking for an experienced engineer to join our workshop team in Selkirk.

Your role will be varied with work being undertaken on horticultural equipment and ATVs in our fully equipped workshop. Full product training will be provided.

A good salary package, company pension and other benefits are on offer.

To apply, or for more information, please email your CV to gmillar@hendersongm.co.uk or post to Graeme Millar, Henderson Grass Machinery Ltd, Yarrow Mill, Dunsdale Road, Selkirk, TD7 5EB.
